Church

Before the 9:30 am Mass pick up the black binder labeled "Lighthouse Communion Service" from the sacristy and place the Pyx (container for the Communion) next to the Tabernacle. After distributing communion, take about 15 hosts from the Tabernacle and leave immediately for Lighthouse Pointe.

Lighthouse Pointe

At 10:30am, or as soon as you arrive, go to the 3rd floor chapel.

15-20 people will be there for the Communion Service. After the service, consume the remaining hosts. Return the book and the pyx (after properly cleaning) to the Sacristy.

Thank you for your service!
